

## **Better From Every Angle**

## FlexCore Bollard

## **INNOVATION DISGUISED AS SIMPLICITY**

FlexCore Bollard is stronger than steel plate bollards and easier on your customers' equipment and people. No more holes to dig, concrete to pour or pipes to paint, the FlexCore Bollard installs in a fraction of the time and at a much lower cost, without sacrificing strength.

### **Energy absorbing design**

Impact forces are directed into the concrete

### **Rotating HDPE Shell**

Exclusive shell design rotates with side-swiping hits

#### **Quick installation**

Installs fast, protects for years

**Labeling and Safety Solutions** 

#### **Warehouse Partners**

Unit 3 Easter Court, Europa Boulevard, Westbrook, Warrington, Cheshire WA5 7ZB tel: 01925 715761 fax: 01925 712966 email: info@warehouse-partners.co.uk

Warehouse Partners - a trading division of Westbrook Industrial Limited

## **Better From Every Angle**

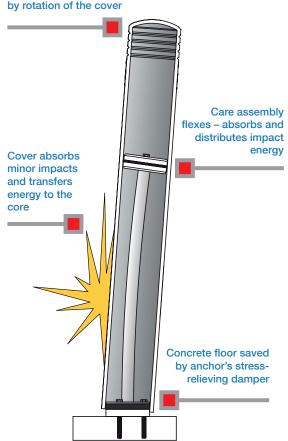

# FlexCore Bollard

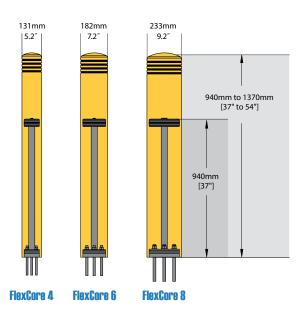

## How it works

Glancing blows absorbed

– and snagging points avoided –
by rotation of the cover

## **Size specification options**

Rotating HDPE cover

High tensile steel core

Shock-absorbing load ring

Hardware prevents concrete failure
