

PALLITE

PALLITE® PIX® SLOTS

SAVE SPACE, IMPROVE PICK ACCURACY AND INCREASE EFFICIENCY.

An even lighter-weight, lower-cost version of our award-winning PIX® range, PIX® SLOTS offers ergonomic and sustainable warehouse storage solutions that consolidate pick-faces for small and/or lightweight SKUs.

Space.
Accuracy.
Efficiency.

| PIX® SLOTS
TWIN 400

| PIX® SLOTS SHELF

Save space and consolidate pick-faces

Strong enough to support your stock

Quick and easy to build with no tools needed

Bespoke options available

Made from over 80% recycled materials

PALLITE[®] PIX[®] SLOTS

PIX[®] SLOTS is available in both standard and bespoke sizes and can be made to sit in racking or as freestanding units.

PIX[®] SLOTS Twin will enable you to transform floor space into functional pick-faces in just minutes. PIX[®] SLOTS Shelf will ensure there's no dead space in your racking by converting it to pick-faces, whilst PIX[®] SLOTS Slim allows you to squeeze pick-faces into even the smallest of spaces.
